

# *Supernatural Love*

*Music & Lyrics: Tru Osborne*

*You made the heavens  
Planted the earth  
Gave us stars for direction  
But what was it worth,  
If we don't have love?  
Your perfect love.*

*You filled the oceans  
Painted the sky  
Gave us each other  
So tell me why,  
Why we're lacking love  
Oh why we're lacking love?*

*Can't you see the darkness trying to divide?  
You know it's up to us to keep shining bright and let our heart stay lifted high...*

*You can prophesy  
Speak in the tongues of man  
But if you don't have compassion  
How will they understand?  
We were made from love.  
Your perfect love.*

*Can't you see the darkness trying to divide?  
You know it's up to us to keep shining bright and let our heart stay lifted high...*

*Time to spread more Love  
Perfect Love  
Supernatural Love  
Your Love*
